

RHINO | HEATING, COOLING & DRYING SOLUTIONS

2017

RHINO

DO THE JOB RIGHT

Rhino meets your heating, drying and cooling needs with a wide selection of multi-tasking solutions. Manufactured from robust components every appliance is made tough to stand up to the demands of tough applications.

The latest digital and motor technology plus user-friendly features combine to bring you visually striking equipment that delivers outstanding results every time. The changeable UK climate ensures that Rhino equipment is always in demand – especially in times of crisis such as floods, cold snaps and heat waves. From the office and home to the warehouse and on-site portakabin, Rhino gets the job done.

110V 1.4KW INFRA-RED REPLACEMENT TUBE

230V 1.4KW INFRA-RED REPLACEMENT TUBE

110V 1.4KW IRK RUBY SLIM LAMP W/R7S END CN

230V 1.4KW IRK RUBY SLIM LAMP W/R7S END CN

10" DUCTING COLLAR

8" DUCTING COLLAR

A high efficiency thermo-quartz heater that's ideal for both temporary heating and drying paintwork & plaster.

- Twin 1400W infra-red elements
- 2 Heat settings
- Integral wheels for easy mobility
- Robust plastic body resists dents and scrapes

RHINO TQ3 HEATER

*Ideal for any application... in the office,
warehouse, workshop or on site*

110V **H029300**
230V **H029400**

Replacement parts: **Page 14**

FH3 FAN HEATER

Tough steel construction to withstand the rigours of site conditions. Ideal for heating larger areas across industrial and leisure settings.

110V **H02072**

240V **H02071**

- 2800W element
- 3 Heat settings
- Lifting handle for easy mobility
- Can be used as a cooler without element

2KW FAN HEATER

Versatile electric fan heater for domestic and small commercial applications. Stands both vertically and horizontally to suit the task and space available.

230V **H02073**

- 2 Heat levels 1kW & 2kW
- Selector for ambient, warm & hot
- Overheat protection
- Neon Indicator

2KW TOWER FAN

Stylish & efficient 2KW PTC heater. Stands vertically with oscillating mode, digital display and remote control.

H03612

- PTC ceramic heating element 1200W/2000W
- 2 Heat settings
- Safety tip over switch
- LED display
- 24 hours timer
- Automatic oscillation
- Remote control

SPACE HEATER

Powerful gas space heater provides immediate heat to any large space. 30kW or 50kW available.

30kW **H02245**

50kW **H02247**

- 230V mains supply
- 100,000 BTU (30kW), 170,000 BTU (50kW)
- 1.5bar Propane regulator included
- 2M gas hose fitted
- Illuminated ON/OFF switch

CATALYTIC HEATER

Portable 3.8kW catalytic cabinet heater with 3 heat settings that delivers instant radiant heat where it's needed.

H02233

- Piezo spark ignition, suitable for LPG
- Tip-over switch device
- Oxygen depletion sensor device
- Flame failure protection device
- Suitable for up to 15Kg gas cylinder

GAS CABINET

Portable 4.2kW gas cabinet heater with 3 heat settings that deliver instant radiant heat where it's needed. Ideal for domestic and commercial applications.

H02227

- Multi-directional burner
- Piezoelectric ignition
- ODS (oxygen depletion system)
- Anti-tilt safety device
- Flame failure device

CH3 CERAMIC HEATER

A tough, steel cased ceramic heater that's designed to provide instant warmth everywhere from the office to the production line. The highly efficient twin 1400W ceramic heater elements make it a formidable tool for combating the elements.

110V **H02700**

240V **H02701**

Replacement parts: **Page 14**

- Twin ceramic elements
- 2 Heat settings
- LED 'power on' indicator

CONVECTOR HEATER

Portable, silent running room and site heater. Provides instant heat that's adjustable with 3 power settings and thermostat control.

H02218

- 3 Power settings 750/1250/2000W
- Adjustable thermostat control
- Overheat protection
- Illuminated switches

TURBO CONVECTOR HEATER

This portable heater can be easily mounted onto the wall or used as a free standing heater. Turbo fan to push warm air around the room.

H03615

- 3 Heat settings - 750/1250W
- Adjustable room thermostat
- Overheat protection
- Freestanding or wall mounting
- Turbo fan

OIL FILLED RADIATOR

Compact portable size. Silent running room heater.

1.5kW **H02240** Size **675x385x160mm (HxWxD)**

2kW **H02241** Size **675x465x160mm (HxWxD)**

- Thermostat control
- Overheat Protection
- 3 Heating Settings
- Tip Over Safety Switch
- Castor Wheels
- Cable Storage
- Integrated Timer (2Kw Model Only)

OIL FILLED RADIATOR

Standard portable. Silent running room heater.

2.5kW Black **H03614** Size **675x545x160mm (HxWxD)**

2.5kW White **H03616** Size **675x545x160mm (HxWxD)**

- Thermostat control
- Overheat protection
- 3 Heating settings
- Tip over safety switch
- Castor wheels
- Cable storage
- 24 Hour timer

OIL FILLED RADIATOR

Deluxe remote control & digital applications. Automatic room temperature sensor. Eco mode. Modern 'P' shaped f in design. Silent running room heater.

2.5kW **H03613** Size **725x675x210mm (HxWxD)**

- Thermostat control
- Overheat protection
- 3 Heating settings
- Tip over safety switch
- Castor wheels
- Cable storage
- Child locking function
- Digital 24 hour timer

9000 BTU AIR CONDITIONER

High efficiency air circulator with multiple setting digital controls for rapid moisture removal.

H03607

- Cooling capability: 9000BTU/hr
- Rated input: 999W
- Moisture removal: 1l/hr
- Air circulation: 380m³/hr

12000 BTU AIR CONDITIONER

High efficiency air circulator with multiple setting digital controls for rapid moisture removal.

H03608

- Cooling capability: 12000BTU/hr
- Self evaporative (no need for a water tank)
- Electronic control with LED display, timer function and remote control
- 4 in 1 functions (heating, cooling, dehumidifying and fan)

RHINO CROWD COOLER

fully adjustable, high output - every event covered

A powerful height and tilt adjustable ballasted fan that delivers high output air circulation in large areas.

110V **H-CROWD110**
230V **H-CROWD230**

- 5 Blade 50cm diameter balanced fan
- Variable output from 1400m³/hr to 9100m³/hr
- Height adjustable up to 2.1m
- Available 110V and 230V

AIR WAVE

3-speed 18" floor fan for instant cooling in workspaces.

H03021

- 3 Blade 40cm diameter fan
- 135W motor
- 3 Speed output: 6100m³/hr
- Available 230V

A portable high output industrial fan, made to withstand the demands of all applications – it's as tough as they come.

- 5 Blade 50cm diameter balanced fan
- 780W flush fitted sealed motor
- Variable output from 1400m³/hr to 9100m³/hr
- Available 110V and 230V

RHINO AIR RAID 500

amazingly powerful and virtually indestructible

110V **H-MAN110**

230V **H-MAN230**

RD48 DEHUMIDIFIER

A highly versatile compact portable dryer that operates automatically via an internal condensate pump.

H03610

- Dual power - switch from 110V to 230V
- Efficient 0.78kW motor
- Automatic operation
- Anti-clog design
- Impact-resistant rotomoulded cover
- Max water removal: 48l/day
- Air movement: 350m³/hr

CARPET DRYER

Powerful, high volume 3-speed carpet dryer for fast moisture evaporation.

240V H03755

- 745W motor
- 3 Speed
- Optional timer
- 230V - 4500m³/hr output

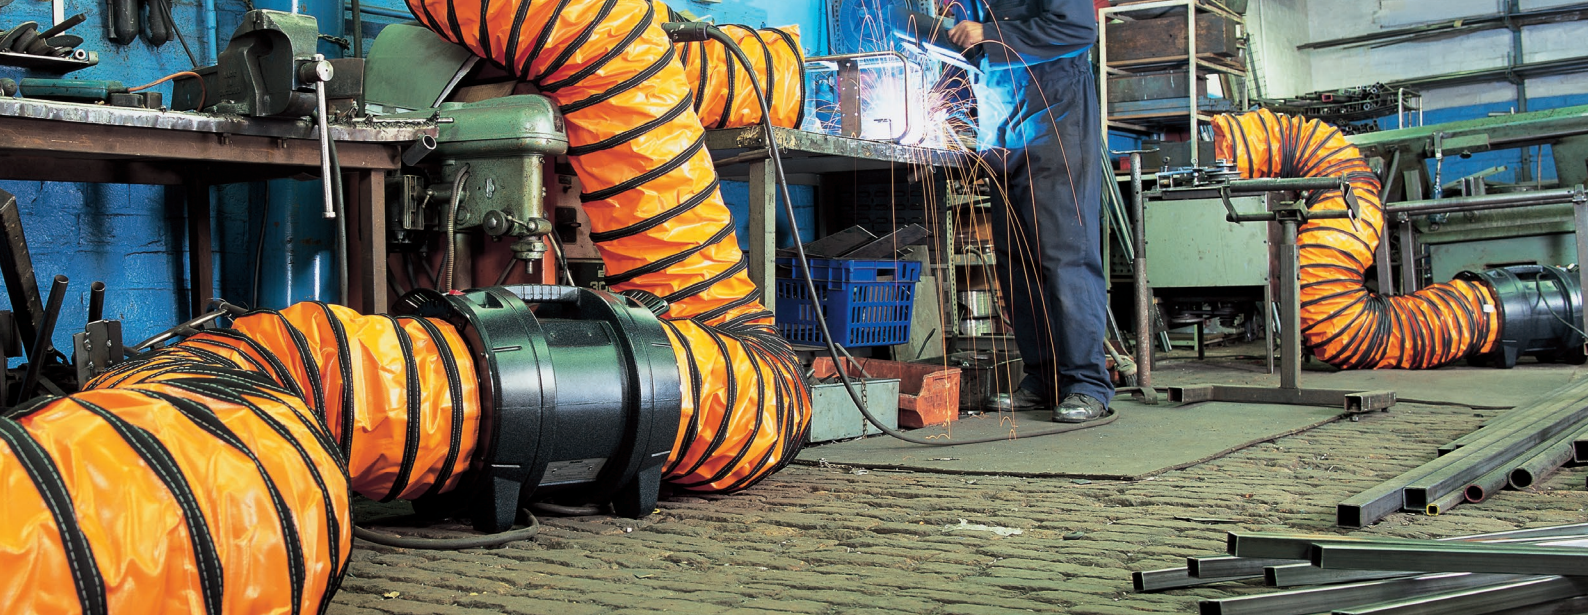

VELO COMPACT AIRMOOVER DRYER

Engineered airflow outlet for faster, consistent drying in 5 operating positions. Low noise only 65db & weighs only 10kg.

230V H03753 Size 584x457x229mm (HxWxD)

- 230V
- Motor 0.124kW
- 3 Heating settings
- Stackable
- 4.6M cable with tidy function
- 5 Drying positions
- Robust rotomoulded housing
- Integral kwh counter - know the real costs
- Power 0.53 Amps
- Single speed
- Easy maintenance

A 3-in-1 air mover designed to cool, ventilate and extract clean or dirty air from both restricted and open environments.

- 6 Blade 31cm diameter balanced fan
- 550W motor
- Single speed output: 3250m³/hr
- Available 110V and 230V

RHINO **FUME EXTRACTOR**

tough all-rounder - made for industry

110V **H03033**
230V **H03034**

Ducting available separately: **Page 14**

1.4KW CERAMIC REPLACEMENT ELEMENT

For use with CH3 Ceramic Heater.

110V **H02115**

230V **H02111**

DUCTING

For use with Rhino Fume Extractor.

305mm x 5m **H03036**

REPLACEMENT IRK RUBY IRK RUBY SLIM LAMP W/R7S END CN

For use with Rhino TQ3 Heater.

110V **H028602**

240V **H028702**

RHINO - designed and distributed by Birchwood Price Tools.
