

VAN VAULT

**PROTECTING THE TOOLS
OF YOUR LIVELIHOOD**

2016

The UK's No.1 vehicle and on-site security box solutions

A quarter of a million vehicle thefts in England and Wales were reported over 2013/2014*

If you suffered a break-in and your valuable equipment and tools were taken, could you continue your job without them?

Van Vault prides itself in developing the most comprehensive choice of durable and innovative security solutions to deter the most intelligent thieves from stealing your equipment.

Launched in 1998, Van Vault has grown in the UK to become recognised as the leading mobile security container brand. From a Van Vault for fixed installation into a small van or tipper truck, to on-site security solutions, the ever-expanding range accommodates solutions for every professional tradesman's needs.

To find your nearest stockist, visit
www.vanvault.co.uk/dealerlocator

A break-in takes as little as 10 seconds** Can you afford to lose your tools?

* Police Recorded Crime, Home Office ** www.police.uk/crime-prevention-advice/vehicle-crime/

Replacement Key Process

A key replacement service is offered on all Lever Locks. In order to match the right replacement lock to your security container, obtain the Key Reference located on a silver plaque riveted on the side of each security Van Vault.

Spares

Replacement items are available.
See the full range on page 39.

VAN VAULT 2

The **ORIGINAL** high security steel storage box for commercial vehicles

External Size: **490 x 922 x 566mm (H x L x D)**

Internal Size: **478 x 828 x 430mm (H x L x D)**

Weight: **46Kg**

Part No: **S10250**

Features:

- 2mm sheet steel construction
- 1 x 70mm disk lock
- Supplied with three keys
- 4 reinforced fitting points
- Fully phosphated anti-corrosion protection
- Flush comfort grip handles

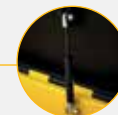

Optional extra: security cable (pg.39)

Compatible with: Stacker and Stacker XL

70mm Lock

Highly effective anti-pick & anti-drill stainless steel disc lock

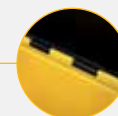

Gas strut

Arresting support arm ensures a soft open/close action

Handles

Flush grip handles for comfort

Single pin hinge

Tamper-proof 'no pull' design prevents lid removal

VAN VAULT 3

Secure storage which combines the original Van Vault box design with a locking drawer solution for protecting hand and power tools

External Size: 539 x 539 x 556mm (H x L x D)
 Internal Size: 425 x 830 x 336mm box (H x L x D)
 390 x 885 x 130mm drawer (H x L x D)
 Weight: 66Kg

Part No: **S10345**

Features:

- 2mm sheet steel construction
- 2 x 70mm disk locks
- Lashing point for securing valuable items
- Integrated single pin hinge
- Fully phosphated anti-corrosion protection
- Gas strut support arm
- Solid lock 'lid stay' system
- Flush comfort grip handles
- 4 reinforced fitting points
- Supplied with three keys per lock

Drawer

- Integrated drawer for easy access to tools
- Foam in-lay
- Smooth drawer action

Optional extras: castor set (pg.38) and security cable (pg.39)

Compatible with: Stacker and Stacker XL

NEW - AVAILABLE WINTER 2016

70mm Locks

Highly effective anti-pick & anti-drill stainless steel disc lock

Gas strut

Arresting support arm ensures a soft open/close lid action

Integrated drawer

Tough sheet steel construction with durable anti-corrosion protection

Heavy duty roller bearing

Creates smooth drawer action

For an anti-slip drawer base

SLIDER & SLIM SLIDER

Low visibility, secure drawer systems for storing and protecting power tools in their carry cases

Available in two sizes:

Slider: Fits 6 power tools stacked in 2 layers

Slim Slider: Fits 6 power tools in a single layer

Slider: External Size: **310 x 500 x 1200mm (H x L x D)**
Internal Size: **260 x 444 x 1115mm (H x L x D)**
Weight: **45Kg**

Slim Slider: External Size: **184 x 1000 x 1200mm (H x L x D)**
Internal Size: **135 x 950 x 1115mm (H x L x D)**
Weight: **60Kg**

Slider Part No: S10325

Slim Slider Part No: S10327

Features:

- 1.25mm sheet steel construction
- 1 x 70mm disk lock
- Supplied with three keys per lock
- Multiple fitting points
- Fully phosphated anti-corrosion protection
- Steel grip handle(s)
- Heavy duty roller bearings
- Smooth drawer action
- Anti-slip top surface
- Reinforced top designed to take loads e.g. pallet
- Easy to conceal under other equipment
- Floor mounts between wheel arches
- Fits any commercial vehicle

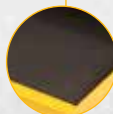

70mm Lock

Highly effective anti-pick and anti-drill stainless steel disk lock

Heavy duty roller bearings

Creates smooth drawer action

Anti-slip surface

Minimises the risk of slipping

Full extension drawer

For ease of access

MOBI

Designed for tradespeople wanting to move from job to job with their tools locked in securely

NOW COMES WITH DOCKING STATION

External Size: 370 x 782 x 455mm (H x L x D)

Internal Size: 339 x 690 x 358mm (H x L x D)

Weight: 28Kg

Mobi Part No: S10301

Features:

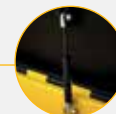

- 1.5mm sheet steel construction
- 2 x 70mm disk locks
- Supplied with three keys per lock
- Integrated single pin hinge
- 4 reinforced fitting points
- Fully phosphated anti-corrosion protection
- Three point locking anchor system
- Flush comfort grip handles

Optional extra: docking station (pg.38) to secure your Mobi at multiple work stations

70mm Locks

Highly effective anti-pick & anti-drill stainless steel disc lock

Single pin hinge

Tamper-proof 'no pull' design prevents lid removal

Integral locking unit

To secure the Mobi in workplaces

Docking station included

OUTBACK

For open backed vehicles to safeguard tools against theft and weathering

External Size: 490 x 1335 x 558mm (H x L x D)

Internal Size: 484 x 1244 x 430mm (H x L x D)

Weight: 60Kg

Part No: S10260

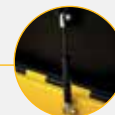

Features:

- 2mm sheet steel construction
- 2 x 70mm disk locks
- Integrated single pin hinge
- Fully phosphated anti-corrosion protection
- 4 reinforced fitting points
- Gas strut support arms
- Solid lock 'lid stay' system

NEW - AVAILABLE WINTER 2016

ROOF TUBES

Ideal for transporting and storing copper, waste and other pipes

ROOF TUBE 100

External Size: **115 x 3152 x 138mm (H x L x D)**

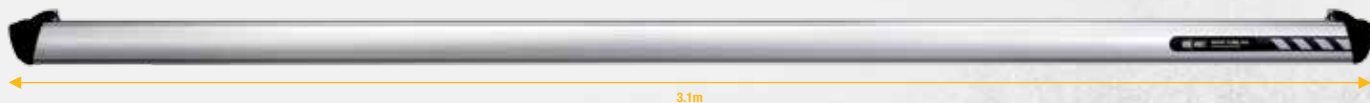

Internal Size: **90 x 3156 x 126mm (H x L x D)**

Weight: **8.25Kg**

Part No: **S10520**

Features:

- Lightweight tough 1.5mm thick aluminium
- Holds 100M of copper in 34 x 3M lengths
- Injection moulded end cap with steel insert - prevents risk of spillage during heavy braking
- Dual end loading
- 2 x 40mm solid brass and stainless steel padlock supplied with 3 keys per padlock - 10g
- Supplied with roof fixing mounts

ROOF TUBE 165

External Size: **150 x 3152 x 180mm (H x L x D)**

Internal Size: **125 x 3159 x 173mm (H x L x D)**

Weight: **14.45Kg**

Part No: **S10530**

Features:

- Lightweight tough 2.1mm thick aluminium
- Holds 165M of copper in 55 x 3M lengths
- Injection moulded end cap with steel insert - prevents risk of spillage during heavy braking
- Dual end loading
- 2 x 40mm solid brass and stainless steel padlock supplied with 3 keys per padlock - 10g
- Supplied with roof fixing mounts

4-SITE

Providing maximum secure storage space on construction sites and other workplaces

External Size: **690 x 1190 x 645mm (H x L x D)**

Internal Size: **595 x 1150 x 580mm (H x L x D)**

Weight: **60Kg**

4-Site Part No: **S10270**

Features:

- Supplied with two keys per lock
- 2mm sheet steel construction
- 2 x 5-lever BS Locks
- Integrated single pin hinge
- Fully phosphated anti-corrosion protection
- Gas strut support arms
- Solid lock 'lid stay' system
- Flush comfort grip handles
- Low visibility black body
- Fork lift points for easy loading

4-STORE

The ultimate storage solution, comprising of the toughest anti-theft features on-site

External Size: 1220 x 1282 x 735mm (H x L x D)

Internal Size: 1111 x 1121 x 665mm (H x L x D)

Weight: 173Kg

Part No: **S10280**

Features:

- 2.5mm sheet steel construction
- 2 x 5-lever BS Locks
- Supplied with two keys per lock
- Integrated single pin hinge
- Fully phosphated anti-corrosion protection
- Gas strut support arms
- Solid lock 'lid stay' system
- Low visibility black body
- Fitted with shelf brackets
- Fork lift points for easy loading

VAN VAULT

CHEM STORE

CHEM SAFE & CHEM STORE

Purpose built on-site storage for hazardous chemicals

Chem Safe: External Size: **690 x 1190 x 645mm (H x L x D)**
Internal Size: **575 x 1150 x 580mm (H x L x D)**
Weight: **97Kg**

Chem Store: External Size: **1220 x 1282 x 735mm (H x L x D)**
Internal Size: **1111 x 1245 x 665mm (H x L x D)**
Weight: **182Kg**

Chem Safe Part No: S10022

Chem Store Part No: S10069

Features:

- Manufactured for storage of hazardous chemicals
- Fully ventilated with gauze flame arrestors
- Fitted with brass overspill tap
- Integrated single pin hinge
- Elevation tray included for spillages
- Internal shelf (Chem Store only)
- Manufactured from 2.5mm sheet steel
- Fully phosphated and powder coated for a durable finish
- 2 x 5-lever BS Locks
- Supplied with two keys per lock

Purpose built on-site storage for flammable liquids

Fire Safe: External Size: 690 x 1190 x 645mm (H x L x D)
Internal Size: 595 x 1150 x 585mm (H x L x D)
Weight: 97Kg

Fire Store: External Size: 1220 x 1282 x 735mm (H x L x D)
Internal Size: 1111 x 1245 x 665mm (H x L x D)
Weight: 182Kg

Fire Safe Part No: **S10020**

Fire Store Part No: **S10071**

Features:

- Manufactured for storage of flammable liquids
- Fully ventilated with gauze flame arrestors
- Fitted with brass overspill tap
- Elevation tray included
- Internal shelf (Fire Store only)
- Manufactured from 2.5mm sheet steel
- Fully phosphated and powder coated for a durable finish
- 2 x 5-lever BS Locks
- Supplied with two keys per lock
- Fork lift points for easy loading

FUEL 'N' TOOL

Ideal for storing valuable equipment and flammable liquids securely on-site

External Size: **690 x 1190 x 645mm (H x L x D)**

Internal Size: **595 x 575 per section x 580mm (H x L x D)**

Weight: **173Kg**

Part No: S10107

Features:

- Two compartments to separate tools and fuel
- Fitted with brass overspill tap*
- 2 x 5-lever BS Locks
- Supplied with two keys per lock
- Integrated single pin hinge
- Heavy gauge 2mm sheet steel construction
- Fully ventilated with flame arrestors*

*Fuel side only

FOLD-AWAY GAS CAGE

Secure cage for storing hazardous cylinders

Size: 1700 x 880 x 1735mm (L x W x H)

Weight: 130Kg

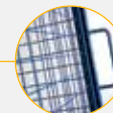

Part No: S10360

Features:

- Manufactured from mild steel sections between 3 & 5mm thick
- Covered with 2" x 2" 10g mild steel, copper coated weld mesh
- Iron phosphated pre-treatment and powder coated
- Dimensions:
 - Body 62.6Kg
 - Lid 14Kg
 - 2x doors 10.1Kg & 12.5Kg
 - 2x internal shelves (735 x 750mm) 7.5Kg each
 - 1x internal shelf (1500 x 700mm) 14Kg
- Comes with signs

Easy Assembly

Secure Storage

Flat Pack
Convenient for easy storage
flat pack design*

*Padlock not included

CHAINS

Perfect for securing valuable equipment to permanent fixtures

COBRA 8

Size: 1.2mtr of 8mm thick chain

Weight: 2Kg

Part No: S10120

Features:

- Link size: 53.5 x 8 x 8mm
- 70mm disc lock
- Made from hardened steel
- High density nylon chain cover
- Toggled nylon carry bag

COBRA 11

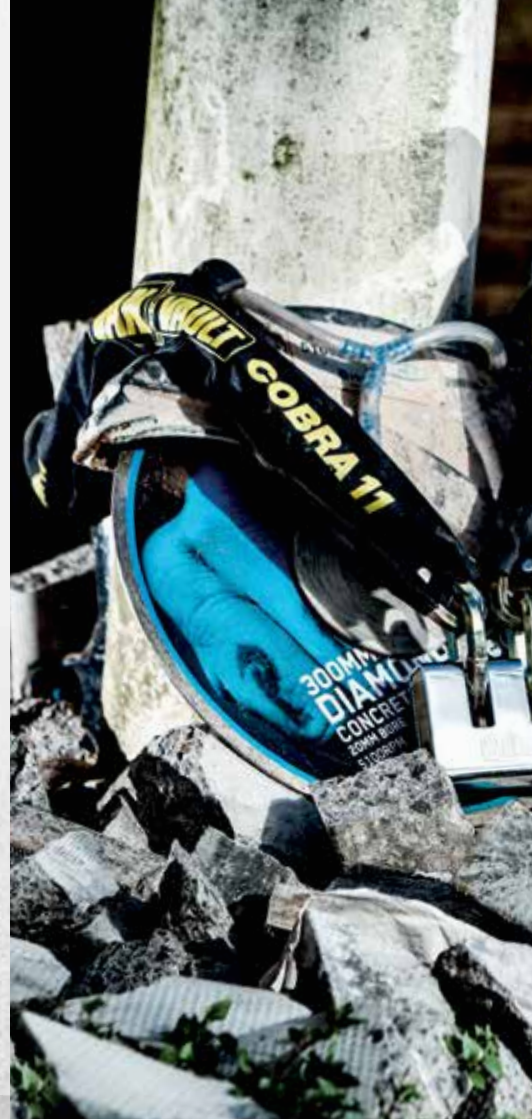

Size: 1.5mtr of 11mm thick chain

Weight: 3.9Kg

Part No: S10125

Features:

- Link size: 65 x 11 x 11mm
- 'E' slotted lock
- Made from hardened steel
- High density nylon chain cover
- Toggled nylon carry bag

LOCKS

VAN LOCK

High security steel lock to protect against theft

Available as a twin pack and single pack

Lock size: **92mm diameter** Lock weight: **0.844kg**

Single Pack Part No: **S10150**

Twin Pack Part No: **S10151**

Features:

- Weather resistant
- Anti-drilling and anti-picking cylinder
- Ultra-resistant to break-ins
- Single Pack: supplied with 2 keys
Twin Pack: supplied with 3 keys
- Dust cover for cylinder protection
- Mountable on rear and sliding doors
- Universal fit
- Stainless steel built and galvanised nickel
- Fits metal & cabinet doors
- Key replacement service available
 - Provide local stockist with unique code

70mm DISC LOCK

**For use with Van Vault security containers
and as a padlock**

Weight: **30g**

Single Clam Part No: **S10036**

Features:

- Supplied with 3 keys per lock
- Fits Van Vault security boxes
- Laser welded stainless steel body
- Hardened steel chrome-plated shackle
- Brass cylinder with 5-pin tumbler

STRAPS

Lashing Capacity: 300Kg

Part No: S10681

MOBI DOCKING STATION

Secure base for remote site installation; for use with the Van Vault Mobi

Weight: 4.25Kg

Docking Station Part No: **S10310**

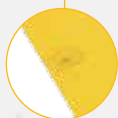

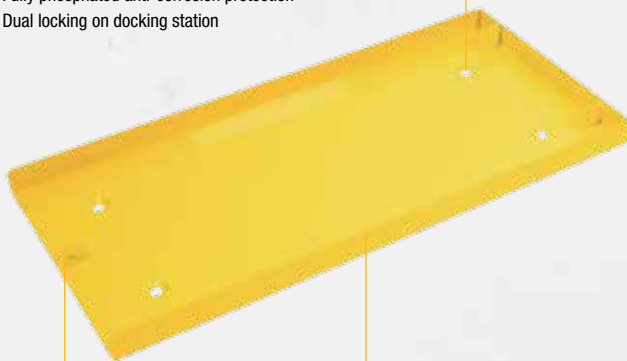

Mobi & Docking Station Part No: **S10301**

Features:

- Optional extra for the Mobi (pg.15)
- 1.5mm sheet steel construction
- Fully phosphated anti-corrosion protection
- Dual locking on docking station

Lock the Mobi base down
Dual locking

Lock base to Mobi
Secures the Mobi in place

1.5mm Sheet steel
Tough sheet steel construction with durable anti-corrosion protection

CASTOR SET

For Van Vault 2 / Van Vault 3

Part No: **S10099**

Features:

- Set of 4 heavy duty wheels, 2 with safety brakes
- Press brake
- Tough nylon wheels
- 1.5mm plated steel chassis
- 2.25Kg

CASTOR SET

For Tipper / Landscaper / XL

Part No: **S10085**

Features:

- Set of 4 heavy duty wheels, 2 with safety brake
- Press brake
- Tough nylon wheels
- 1.5mm plated steel chassis
- 3.7Kg

70mm DISC LOCK

For use with Van Vault security containers
and as a padlock

Weight: 30g
