

PRODUCT GUIDE

For Dealers - 2017/18

MASTERS AT WORK. MASTERS OF WORKWEAR.

SCRUFFS PRODUCT GUIDE 2017/18

Welcome to the Scruffs 'dealer only' catalogue for 2017/18. It's your complete guide to the full Scruffs product range of safety footwear, workwear and accessories.

We've listened to dealer feedback and worked hard to ensure that we deliver what you want from this catalogue. As a result we've...

- Consolidated the existing product range; only the money-makers remain
- Refocused new product development to launch outright winners only
- Highlighted the best sellers so that you know which 'must haves' to stock
- Reordered the layout so that it's easy to find what you're looking for
- Removed prices so that you can share the catalogue content (and your own preferred pricing) with your customers

'SMART CHOICE' NEW PRODUCTS

Complementing the core range Scruffs continues to develop high-performance products that deliver comfort, durability and great design at an affordable price.

New! **Worker Fleece** - Now available in graphite.

New! **Twister Boot** - Now available in black and women's sizes.

New! **Neck Warmer** - Lightweight stretch fabric for extra comfort.

As a dealer you can be confident that every Scruffs product meets the high performance and quality standards that your customers demand.

CONFIDENCE IN QUALITY

Scruffs is a member of SATRA, the world's leading independent organisation in footwear research technology, benefiting from exclusive access to specialist processes and facilities that embed excellence in product development. Scruffs is also proud to partner with globally renowned technologies including GORE-TEX®, 3M®, Cordura®, Vibram®, PORON® and Micro-Fresh®, so you can be confident that Scruffs products meet the performance and quality standards that you and your customers demand.

WHY CHOOSE SCRUFFS?

Scruffs delivers a powerful sales, support & service proposition for dealers:

- Proven core range of 'best sellers' to drive your sales
- New core range service ensures that 98% of deliveries are on-time and delivered in full
- Multi-million investment in best-selling lines
- High specification and performance at competitive market-driven prices
- Award-winning brand marketing with outstanding reach to drive user demand
- Best-in-class merchandising solutions that are easy to manage and shop

Recognised as the 'best value for money' workwear brand Scruffs delivers uniquely styled professional performance products packed with useful features that tradespeople want to buy.

OCCUPATIONS: FOOTWEAR & WORK TROUSERS GUIDE

Useful recommendations are provided in this guide for the type of industry that each item of footwear and trouser are suitable for. This information is for guidance purposes only; always ensure that footwear selections are suitable for the appropriate end use. Certain employers and sites will only allow specific types of footwear to be used. Their guidance and/or requirements must be adhered to.

RECOMMENDATION CATEGORIES:

Light Industrial - Domestic trades, Light manufacturing, 'Indoor' industrial

Medium Industrial - Construction, 'Outdoor' industrial

Heavy Industrial - Heavy 'Indoor' and 'Outdoor' industrial

Sports inspired design with the added benefit of 40+ UV protection make this t-shirt ideal for working outside during the summer months. Lightweight and moisture wicking to keep you comfortable throughout the day. Certified to EN 13758-1: 2001+A1:2006.

ACTIVE ROLL NECK BASE LAYER

Cotton Rich Base Layer

Specification:

Material composition:

60% polyester / 35% cotton / 5% elastane

Material weight: 220gsm

Fit: Slim

Fastening: Over the head

Cuffs: Elasticated

Sizes: S-XXL

Washing instructions:

Part No.	Size	Colour
T53013	S	Grey marl
T53014	M	Grey marl
T53015	L	Grey marl
T53016	XL	Grey marl
T53017	XXL	Grey marl

Lightweight and moisture wicking base layer top made from high-stretch material with a cotton content for optimum fit and comfort. Flat lock seams to the arms reduce abrasion, and a roll neck design increases warmth, making this top ideal for layering during cold winter months.

BASE LAYER TOP

Active Range Thermal Top

Specification:

Women's Work Jersey

Part No.:	Size:	Colour
T52383	10	Graphite
T52384	12	Graphite
T52385	14	Graphite
T52386	16	Graphite

Specification:

Material: 60% cotton / 40% viscose

Material weight: 220gsm

Fit: Slim

Fastening: Over the head

Colour: Graphite

Sizes: 10-16

Washing instructions:

This long sleeve t-shirt is made from a cotton viscose blend fabric to provide a soft hand feel. It has a longer length body for extra comfort when working and has a blank left chest for corporate branding.

The slim fit Scruffs Women's Active Hoodie is ideal for layering in cool conditions. The lightweight stretch fabric is breathable and moisture wicking to ensure maximum comfort, whilst raglan sleeves provide ease of movement. Thumb grips to the cuffs hold the sleeves in place, whilst an adjustable hood allows you to create your optimum fit.

WOMEN'S ACTIVE POLO

Lightweight Wicking Polo Shirt

This lightweight and breathable polo helps to regulate body temperature while you work. The moisture wicking finish helps to wick sweat away from the body, keeping you cool and dry. It has a specially designed women's fit and features a button placket, ribbed collar and ribbed cuffs.

Specification:

Material: 100% polyester
Material weight: 220gsm
Fit: Regular
Fastening: Button placket

SIZE GUIDE

SCRUFFS FOOTWEAR SIZE GUIDE

FIT TIPS

Not all brands of footwear fit the same. The standard size guide below is a good indicator of what size you should wear, but there may be slight variations in sizing between different brands. Most foot problems can be prevented by wearing properly fitting footwear. Don't assume that your footwear size remains the same. The shape of your feet changes as you get older. Have both feet measured regularly as most people have one foot larger than the other. Fit to the largest foot.

Always try footwear with your regular work socks. Make sure that they are laced properly. The ends of your toes should not touch the front part of the footwear. To double check the fit, untie the laces and slide your forefinger down the back of the footwear behind the heel. The ends of your toes should hit the front toe part of the footwear.

SCRUFFS CLOTHING SIZE GUIDE

MEASUREMENT TIPS

The fit of workwear depends on the cut, fabric and styling of the garment. If you're not sure, follow our top tips on how to measure yourself. Then refer back to the detailed workwear size guide shown below so you know which size you should buy.

CHEST (A)

Measure around the fullest part of the chest. Place the measuring tape high up under your arms and make sure it's at the same height at the back across your shoulder blades.

WAIST (B)

Measure around your natural waist line, on top of any underwear that you normally wear.

INSIDE LEG (C)

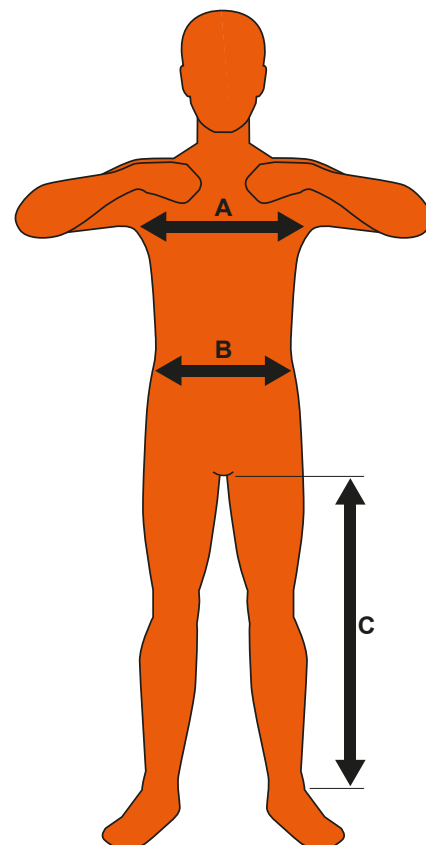

Measure from the top of the inside leg at the crotch to the hem.
